PACIFIC RIDGE EXTENDS CLOSING OF FLOW THROUGH FINANCING

Vancouver, B.C. – August 28, 2020 - Pacific Ridge Exploration Ltd. (TSX Venture: PEX) ("Pacific Ridge" or the "Company") has received approval from the TSX Venture Exchange to extend the closing date of its flow-through financing by 30 days. On August 18, 2020, the Company announced that it had closed a first tranche of the private placement for gross proceeds of \$192,750.

This private placement, which was initially announced on July 14, 2020, consists of up to 4,000,000 units at a price of \$0.075 per unit ("FT Unit") for gross proceeds of \$300,000. Each FT Unit consists of one common share of the Company that qualifies as a "flow-through share" for the purposes of the Income Tax Act (Canada) and one-half of one common share purchase warrant, with each whole warrant exercisable to purchase one additional non-flow-through common share at an exercise price of \$0.12 for a period of 18 months, subject to the following acceleration provision: if at any time after 4 months from the date of issue of the warrants the closing market price of the Company's common shares on the TSX Venture Exchange is greater than \$0.35 per share for 20 consecutive trading days (the "Triggering Event"), the Company may, within 5 days of the Triggering Event, accelerate the expiry date of the warrants by giving notice thereof to the holders of the warrants, by way of press release, in which event the warrants will expire on the 30th day after the date on which such notice is given.

The Company is proposing to pay finder's fees of 6% cash and 6% finder's warrants on a portion of the private placement. The private placement and payment of finder's fees are subject to TSX Venture Exchange acceptance. Net proceeds from the private placement will be used for carrying out surface exploration programs at its Kliyul and Redton Au-Cu porphyry prospects in central British Columbia.
